

## “What will we Promise our Youth for their Future Success?”

Come hear how a coalition of youth-serving entities has made a difference in their community and how we can use their experiences and Kansas City’s assets to do the same for our bi-state area.

This is a **FREE** MCHC Quarterly meeting about the 40 Developmental Assets for Youth and the 5 Promises, featuring speakers from **Youth Community Coalition**, **YMCA of Greater Kansas City**, **KidZone (of Kansas City, Kansas Public Schools)**, and the **Kansas Chapter of the American Academy of Pediatrics**.

This educational activity has been awarded 2 contact hour(s).

Children's Mercy Hospitals and Clinics is an approved provider of continuing nursing education by the Missouri Nurses Association, an accredited approver by the American Nurses Credentialing Center's Commission on Accreditation.

2 Social Work CEUs will be provided to licensed social workers

Children’s Mercy Hospital’s Department of Social Work & Community Services has been approved as a Continuing Education Provider by the State of Kansas Behavioral Sciences Regulatory Board.

MCHC members can receive continuing education (CE) as a benefit of membership. All others who wish to receive CE for this event must become members to do so. So join MCHC today (\$25 annual membership dues) and receive this benefit, and more.
