

Use Goodsearch and donate to Mother & Child Health Coalition every time you surf the web!

Here's how:

On goodsearch.com, **Choose Maternal and Child Health Coalition** in the "Who do you search for?" section of the blue box. Then, all you have to do is click and search. It's free for you and it gives MCHC one cent for each time you use Goodsearch. It can add up! Thank you for supporting families in greater Kansas City.
